AusBiotech 2010 National Conference

19 Oct 2010

19-22 October 2010

Where

Melbourne Convention and Exhibition Centre
Melbourne, Victoria

The AusBiotech 2010 National Conference is an annual event bringing together professionals from the biotechnology industry. In 2009, 1423 delegates and 1983 conference participants attended AusBiotech which resulted in 580 business leads and over \$130m in potential deals.

(Subsidised support to participate in this event to the value of \$1,500 per eligible company)

This event will bring together representatives and professionals from across the biotechnology industry and the globe to produce a world-class event. A comprehensive and integrated conference program will encompass an extensive BioIndustry Exhibition and the increasingly popular Business Matching Program to demonstrate how AusBiotech has earned its reputation as a host for this flagship industry event.

The benefits are

- Over 580 leads;
- Over AUD \$130million in potential deals;
- Deals with a variety of countries across the globe – ie Singapore, China, UK, Canada, USA, Korea, Australia, New Zealand, South Africa and countries within Europe;
- Other company benefits such as publicity, information, renewed/re-established contact with former clients/contacts, networking, meet jobseekers, new subcontractors & contractors, company exposure, senior management appointments.
