Design + Industry speak at AusBiotech 2010

Design + Industry are pleased to announce our involvement with the prestigious AusBiotech Conference in Melbourne next week.

Design + Industry will be speaking on the topic of Developing Award Winning Medical Devices, giving an insight into D+I's proven design process and a behind the scenes look at designing successful medical products. This is the first time D+I have presented at AusBiotech regarding the design and development of medical devices.

AusBiotech National Conference
19 to 22 October 2010
Melbourne Convention Centre

D+I Session time and Date:

Thursday 21 October 2010, 2.00pm – 3.30pm

Co speakers include:

Lusia Guthrie, Chief Executive Officer & Managing Director, LBT Innovations Ltd,
David Mulcahy, Vice President Product Development, Global Sleep SBU, ResMed Ltd
Adam Panarello, Projects Manager (Hardware) TeleMedccare Pty Ltd
