## AusBiotech 2011 National Conference

Event Dates: 16th October, 2011 - 19th October, 2011  
Event Duration: 3 day(s)  
Event Location: Adelaide Convention Centre, South Australia, Australia  
About Event:

AusBiotech 2011, the premier biotechnology conference for the Australia and Asia-Pacific region, will be held in Adelaide, South Australia on 16-19 October 2011. It is proudly hosted by AusBiotech Limited and supported by BioInnovation SA and the South Australian Government.

This event will bring together representatives and professionals from across the biotechnology industry and the globe to produce a long-remembered event. A comprehensive conference program together with an extensive BioIndustry Exhibition and Business Matching Program creates a world-leading event.
