Australia China Biotechnology Investment Summit in Tianjin on Friday 10 June, 2011.

Written by Qiao LAB

Australia China Biotechnology Investment Summit as part of the China International Private Equity Forum (CIPEF) in Tianjin on Friday 10 June, 2011.

The Summit will offer AusBiotech member companies the opportunity to present for 10-minutes to over 100 attendees including venture capitalists, Chinese pharma and biotech companies, government representatives and local Chinese life sciences organisations interested in partnerships with foreign companies.

The China International Private Equity Forum (CIPEF), an event approved by the State Council, will be held in Tianjin Meijiang International Convention & Exhibition Centre, Tianjin from June 10 to 12 June, 2011.
