AusBiotech Conference-Adelaide South Australia October 16 to 19, 2011

Monday, 28 February 2011

AusBiotech 2011 national conference, with its theme **Creativity, Capability & Capital** is to be held in Adelaide, South Australia 16 - 19 October 2011. The annual event has earned a reputation as the industry's premier biotechnology conference for the Asia Pacific region. It is proudly hosted by AusBiotech Limited, the biotechnology industry organisation representing more than 3,000 members, in the interests of developing the biotechnology sector in Australia.
