公司简介

Analytica 有限公司是一家位于布里斯本的公共公司，在澳大利亚证券交易所上市。公司致力于设计、研发和供应一类和二类医疗器械。

Analytica 的董事会和管理团队在生物技术和医疗技术领域有着广泛的经验，其中包括研发、制造、商业化运作以及融资等。Analytica 致力于利用这些现有资源和专有知识，实现创利可行医疗器械产品的商业化发展，从而为股东创造价值。

关键技术或领先技术

Analytica 的主打产品是 PeriCoach™ 系统——该系统是一套面向压力性尿失禁的女性患者的电子保健医疗系统。压力性尿失禁这种削弱健康的病症影响着全球 1/3 的妇女，其致病原因主要是由于妇女在怀孕、分娩或更年期时骨盆肌受创而引起的。

PeriCoach™ 系统由一种新型设备、门户网站和智能手机应用程序三部分组成。设备具有小巧、隐秘的特点，用以评估骨盆肌活动情况。设备会将所获得的信息反馈到手机应用程序中，同时也可上传到云储存(PeriCloud)中。这样一来，医生就可以在网站上监测患者的病情发展。这款新式产品使医生可以远程确认患者是否在锻炼骨盆肌，并判定锻炼是否对患者的病情有所帮助。

PeriCoach™ 是一项独一无二的产品，最近在澳大利亚上市，并有望近期(2015 年内*)在欧洲和美国市场进行产品发布。

美国市场每年消费\$50 亿元的失禁尿垫。据估测，到 2030 年澳大利亚患病妇女人数将达到 560 万人。

*注：PeriCoach™ 还未在欧洲和美国上市。

ABOUT THE COMPANY

Analytica Limited is a Brisbane-based public company listed on the Australian Stock Exchange. The company is dedicated to the design, development and supply of Class I and II medical devices.

Analytica's board of directors and management team offers a broad experience in biotech and medical technology including development, manufacturing, commercialisation, and finance. The company is focused on building shareholder value by applying these resources and expertise to the commercial development of viable and profitable medical devices.

KEY OR LEAD TECHNOLOGY

Analytica's lead product is the PeriCoach™ System – an e-health treatment system for women who suffer Stress Urinary Incontinence. This debilitating condition affects 1 in 3 women worldwide and is mostly caused by trauma to the pelvic floor muscles during pregnancy, childbirth and menopause.

PeriCoach™ comprises a novel device, web portal and smartphone app. The device is discreet and works by evaluating activity in pelvic floor muscles. This information is transmitted to a smartphone app and can be loaded to PeriCloud where physicians can monitor patient progress via web portal. This novel system enables physicians to remotely determine if a woman is performing her pelvic floor exercises and if these are improving her condition.

PeriCoach™ is unique. The product was recently launched in Australia with further product launches expected in Europe and the US in 2015*.

The US market for incontinence pads is \$5 billion pa. It is projected that by 2030, 5.6 million women in Australia will suffer urinary incontinence.

**The PeriCoach is not yet available for sale in the US or Europe.*
